

**Please check the information below for details pertaining to departures after October 29, 2023.**

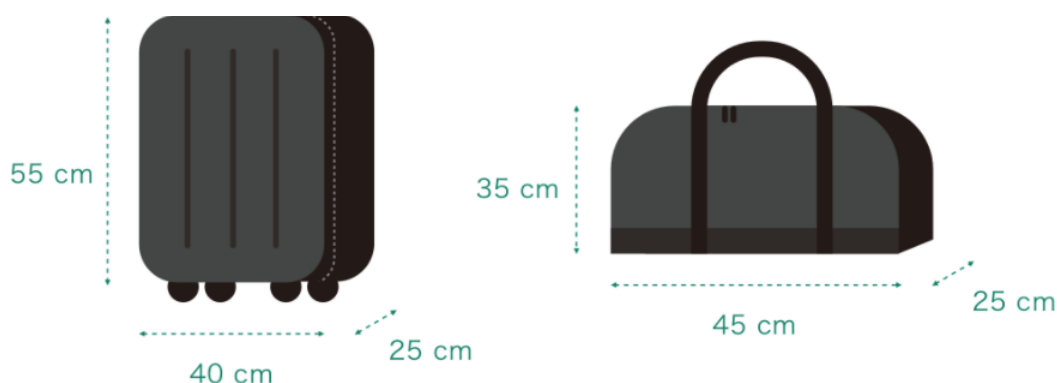

## Baggage

The following regulations apply to baggage that would be carried into the aircraft cabin or checked in.

Additional fees for baggage can be paid online (via our desktop or mobile site) or via our contact center

\* However, paying these fees via the contact center or at the airport counter will require a separate processing fee. For the lowest prices, we recommend making the reservation online.

## Carry-on Baggage

Carry-on baggage (to be brought into the aircraft cabin) is limited to two items. These must be within the specified size limit (first item: 40×25×55 cm, second item: 35×25×45 cm).

Baggage, with a combined weight of 7kg, is free of charge. Additional fees apply for baggage that exceeds this number (maximum of 15kg).

You can purchase up to 24 hours before flight departure. Additional charges for carry-on baggage cannot be purchased at the airport on the day of departure. If you exceed the limit, please check in as checked-in baggage.

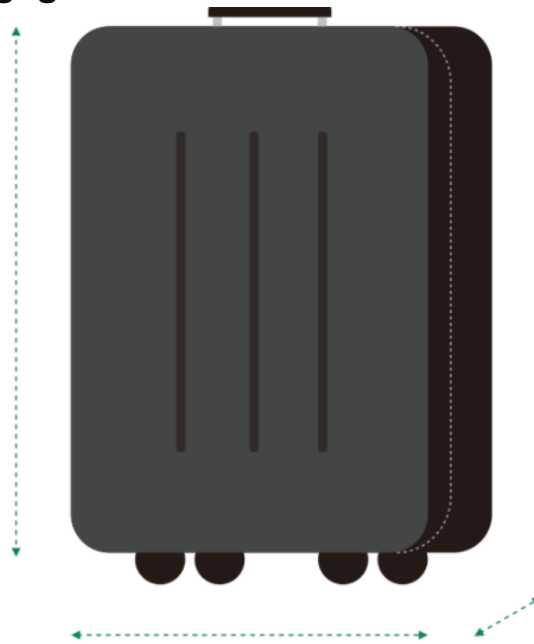

- \* Fees may be converted using ZIPAIR's applicable foreign exchange rate depending on the payment currency selected by the customer.
- \* Once the purchase is complete, we cannot refund the passengers under certain circumstances.
